

# True Colors

Billy Steinberg and Tom Kelly

Performed by Cindi Lauper

You with the sad eyes, don't be discouraged  
Oh I realize, it's hard to take courage  
In a world full of people, you can lose sight of it all  
And the darkness inside you can make you feel so small

**But I see your true colors shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors, like a rainbow**

Show me a smile then, don't be unhappy  
Can't remember when I last saw you laughing  
If this world makes you crazy and you've taken all you can bear  
You call me up, because you know I'll be there

**And I'll see your true colors shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors are beautiful, like a rainbow**

**And I'll see your true colors shining through  
I see your true colors, and that's why I love you  
So don't be afraid to let them show  
Your true colors, true colors, true colors are shining through**

**I see your true colors, and that's why I love you  
So don't be afraid to let them show, your true colors  
True colors are beautiful like a rainbow.**
