

Change the World

Tommy Sims, Gordon Kennedy, and Wayne Kirkpatrick
(Recorded by Eric Clapton)

If I could reach the stars
I'd pull one down for you
Shine it on my heart
So you could see the truth

That this love I have inside
Is everything it seems
But for now I find
It's only in my dreams

That I can
Change the world
I would be the sunlight in your universe
You would think my love was really something good
Baby if I could
Change the world

If I could be king
Even for a day
I'd take you as my queen
I'd have it no other way

And our love would rule
In this kingdom that we had made
'til then i'll be a fool
Wishing for a day

That I can
Change the world
I would be the sunlight in your universe
You would think my love was really something good
Baby if I could
Change the world
