

# Love and Mercy

Brian Wilson

I was sittin' in a crummy movie  
With my hands on my chin  
All the violence that occurs  
Seems like we never win

Love and mercy, that's what you need tonight  
So love and mercy to you and your friends tonight

I was lying in my room  
And the news came on TV  
A lotta people out there hurtin'  
And it really scares me

Love and mercy, that's what you need tonight  
Love and mercy to you and your friends tonight

I was standing in a bar  
And watching all the people there  
Oh, the loneliness in this world  
Well it's just not fair

Hey, love and mercy, that's what we need tonight  
So love and mercy to you and your friends tonight  
Love and mercy, that's what you need tonight  
Love and mercy tonight  
Love and mercy tonight
