

# Shower the People

James Taylor

You can play the game  
You can act out the part  
Though you know  
It wasn't written for you  
Tell me how can you stand there  
With your broken heart  
Ashamed to playin' a fool?

One thing can lead to another  
It doesn't take any sacrifice  
Oh, Father and Mother  
And sister and brother  
If it feels nice  
Don't think twice

Just shower the people you love with love  
Show them the way that you feel  
Things are gonna work out fine  
If you only will

Shower the people you love with love  
Show them the way that you feel  
Things are gonna be much better  
If you only will

You can run but you cannot hide  
This is widely known  
Now what you plan to do with your foolish pride  
When you're all by yourself alone

Once you tell somebody  
The way that you feel  
You can feel it beginning to ease  
I think it's true what they say  
About the squeaky wheel  
Always getting the grease

Shower the people you love with love  
Yes and show them the way that you feel  
I know things are gonna be just fine  
If you only will, what I like to do to you

Shower the people you love with love  
Show them the way that you feel  
Things are gonna be much better, if you only will

Shower the people you love with love  
Show them the way you feel  
Shower the people you love with love  
Show them the way that you feel
