Silent Night, Holy Night!

Music: F.X. Gruber, Text: J Mohr

Silent Night, holy night!
All is calm, all is bright
'round yon virgin mother and child!
Holy Infant, so tender and mild,
Sleep in heavenly peace,
sleep in heavenly peace.

Silent Night, holy night!
Wondrous star, lend thy light;
with the angels let us sing
Alleluia to our King:
Christ the Savior is born;
Christ the Savior is born.

Let's Hum a Final Verse!
