

# ***Announcements and Church Information***

## ***For the week of Sunday, July 27, 2025***

**Welcome to this gathering of believers.** We are pleased that you are visiting us today and pray that you may find renewed grace and peace through our time together. If there is anything we can do to enhance your time, we are here to help. Just ask one of our ushers or anyone in the congregation. We invite you to fill out a Visitor Card (yellow card in the pew racks) and put it onto our collection plate, that we may follow up if you so indicate. Go to our website ([www.rumsonpresbyterian.org](http://www.rumsonpresbyterian.org)) to find out more about us. We are happy you joined us and look forward to seeing you again.

### ***Seventh Sunday after Pentecost – July 27, 2025***

***Worship at 9:15 am***

***Sermon: “Persistent Prayer”***

***Dr. Whitney S. Bayer***

In our text for this week Jesus teaches the disciples how to pray. This is the text where we learn the words to the Lord’s Prayer. Through these familiar words what does Jesus have to teach us about prayer?

### ***We Are a People in Mission!***

***Lunch Break***

Mission Commission continues to accept food donations for **Lunch Break**. Their need for donated food has dramatically increased now because of sudden substantially reduced funding. Here’s what they urgently need:

**Non-Perishable Food:** Canned beans, dried beans, low-sodium canned soup (chicken, vegetable, and tomato), oatmeal, canned meals (spaghetti, ravioli, chili), canned chicken, canned tuna, canned vegetables (corn, peas, carrots), low-sugar applesauce, and almond or oat milk.

**Toiletries and Supplies:** Toothbrushes & toothpaste, deodorant, shampoo, body wash, dish soap (smaller sizes), laundry detergent, baby diapers (sizes 2-6), baby wipes, and adult diapers (women sizes L, XL, XXL).

## ***Bottle Cap Drive for Monmouth County 4-H Kids***

The Mission Commission is collecting clean used plastic bottle caps to help the Monmouth County 4-H kids, who are collecting these caps to transform them into a recycled plastic garden bench.

You'll be recycling plastic instead of landfilling it, supporting local sustainability, and helping to make a sturdy bench that will last for years. There's a donation basket in the narthex for your donations.

Thank you for helping our county, the kids, and the environment.
